

2nd Press Release, April 2024

About the project

WAKE UP: Raising Youth Awareness on the Metaverse, is an Erasmus+ KA2 project that started in December 2022 and has a duration of 24 months.

Our dedicated consortium of the project includes 6 partner organizations: [Asociación Valencia InnoHub](#) (Spain), [Stowarzyszenie SEDA](#) (Poland), [Xenios Polis. Culture, Science and Action](#) (Greece), [ATERMON B.V](#) (Netherlands), [University of Thessaly](#) (Greece), [M.M.C Management Center Limited](#) (Cyprus)

WAKE-UP project focuses on the emerging trend of the Metaverse, a new virtual realm that transcends traditional screen-based limitations by blending real and virtual worlds in one. Experts suggest that this platform offers significant potential. Specifically, our initiative seeks to educate young people about the Metaverse's potential risks but also the opportunities. The goal is to enhance their skills across various domains, promoting active citizenship, entrepreneurial spirit, and social entrepreneurship among youth. This effort aims to equip them with the tools needed for a brighter future.

Completion of Essential Project Modules and Platform Launch

As we continue to navigate the challenges and opportunities of the digital

Raising Youth Awareness on the Metaverse

age, the WAKE-UP project has successfully finalized several modules aimed at educating and empowering others about the metaverse. With these modules now complete, we are thrilled to launch our innovative digital platform. This platform is rich with educational content designed to engage users in meaningful learning about the metaverse's potential and risks.

Call for Pilot Testers

We are now entering a crucial phase where we seek the involvement of the community. Educators, students, and tech enthusiasts are invited to explore our new platform, utilize the resources, read our material, and provide us with feedback. This pilot testing is vital for refining our platform and ensuring the platform meets the educational needs of our audience.

Final Conference in Cyprus

Finally, we are excited to announce that the final conference for the WAKE-UP project will be held in October 2024 in Cyprus. This key event will provide an in-depth review of the project's results and its impact on raising awareness about the metaverse.
